About this Form:

- The purpose of this Form is to collect information about Beneficial Owners as required under the Anti-Money Laundering and Counter Terrorism Financing Act 2006 ('AML/CTF laws'), together with legislation designed to give effect to the Foreign Account Tax Compliance Act ('FATCA') agreement between Australia and the United States and the OECD Common Reporting Standard. A Beneficial Owner of a Customer means an individual who ultimately owns or controls (directly or indirectly) the Customer where 'control'

includes control as a result of or by means of trusts (including in the capacity as beneficiary, trustee or settlor), agreements, arrangements, understandings and practices, and includes exercising control to determine decisions about financial and operating policies, and 'owns' means ownership (either directly or indirectly) of 25% or more of a person/Customer.

- If you are submitting this Beneficial Owner Information Form directly, without having consulted with a financial adviser, you must submit original certified copies of identification documents with this Form for all Beneficial Owners, which can be either a Driver Licence or Passport containing photo identification that identifies the Beneficial Owner's full name and date of birth and/or residential address. If you are applying through a financial adviser, your financial adviser will assist you in providing the necessary identification documents for all Beneficial Owners.

Definitions:

- A 'Politically Exposed Person' ('PEP') is an individual who holds a prominent public position or function in a government body or an international organisation in Australia or overseas, such as a Head of State, or Head of a Country or Government, or a Government Minister, or equivalent senior politician. A PEP can also be an immediate family member of a person referred to above, including spouse, de facto partner, child, and a child's spouse or a parent. A close associate of a PEP i.e. any individual who is known to have joint beneficial ownership of a legal arrangement or entity is also considered to be a PEP. Tax Residency rules differ by country. Whether you are a tax resident of a particular country is often (but now always) based on the amount of time you spend in a country, the location of your residence or place of work. For the US, tax residency can be as a result of citizenship or residency.

If you have any questions on how to define your tax residency status, please visit the OECD website (oecd.org) or speak to a professional tax adviser as we are not allowed to give tax advice.
